A pamphlet in Chinese, Handbook for Enrollment in Advanced Schools in 1957, contains the names, locations, departments, major courses of study, and lengths of major courses of study in all advanced schools, colleges, and universities in Communist China. The institutions listed include:

- a. Advanced engineering schools, with courses ranging from four to six years in length but mostly of five years: 47 institutions, including:

Ch'engtu, Szechuan Province

Ch'engtu Geological Survey and Exploration College (four years)

Ch'engtu Telecommunications Engineering College (five years)*

Dairen, Liaoning Province

Dairen Ocean Transportation College (5 years)*

Nanking, Kiangsu Province

Nanking Aeronautics College (five years)*

Shanghai, Kiangsu Province

Nan Yang (0589/3152) Engineering College (five years)*

Shanghai Shipbuilding College (5½ years)*

Sian, Shensi Province

Sian Aeronautics College (five years)*

Sian Dynamics College (five years)*

Wuch'ang, Hupei Province

Wu-Han Survey and Draft College (five years)*

Wu-Han Water Transportation and Engineering College (five years)*

- b. Advanced teachers' colleges, with courses of two or four years, but mostly of four years: 52 institutions, including:

Canton, Kwangtung Province

Canton Teachers' Academy (two years)

Ch'angch'un, Kirin Province

Kirin Teachers' College (two years)

- Chengchou (N 34-45, E 113-40), Honan Province
Chengchou Teachers' Academy (two years)
- Ch'engtu, Szechuan Province
Szechuan Teachers' College (four years)
- Ch'ufou (N 35-39, E 117-03), Shantung Province
Ch'ufou Teachers' College (four years)
- Hangchow, Chekiang Province
Hangchow Teachers' Academy (two years)
- Hankow, Hupei Province
Wu-Han Teachers' Academy (two years)
- Hofei, Anhwei Province
Hofei Teachers' Academy (two years)
- Hsinhsiang (N 35-19, E 113-53), Honan Province
Hsinhsiang Teachers' College (four years)
- K'aifeng, Honan Province
K'aifeng Teachers' College (four and two year courses)²
K'aifeng Teachers' Academy (two years)²
- Nanch'ang, Kiangsi Province
Nanch'ang Teachers' Academy (two years)
- Shanghai, Kiangsu Province
First Teachers' College of Shanghai (four years)
Second Teachers' College of Shanghai (four years)
- Shihchiachuang (N 38-02, E 114-28), Hopei Province
Shihchiachuang Teachers' College (four years)
- Urumchi, Sinkiang
Sinkiang Teachers' College (two years)
- Wuch'ang, Hupei Province
Wu-Han Physical Education and Teachers' College (two years)
- c. Advanced schools of agriculture and forestry, with courses ranging from three to five years, but mostly of four years: 33 institutions, including:¹
- Ch'angch'un, Kirin Province
Ch'angch'un Veterinary University (four years)
- Chengchou, Honan Province
Honan Agricultural College (four years)
- K'unming, Yunnan Province
Yunnan University Department of Agriculture and Forestry (four years)*
- Mukden, Liaoning Province
Shenyang Agricultural College (four years)*
- Shanghai, Kiangsu Province
Shanghai Marine Products College (five years)*
- Tsingtao, Shantung Province
Shantung University Department of Marine Products (five years)
- Urumchi, Sinkiang
Sinkiang College Department of Agriculture (three years)
- Yaan (N 30-00, E 103-02), Szechuan Province
Szechuan Agricultural College (four years)
- Yenchi, Kirin Province
Yen Pien University Department of Agriculture (three years)*

- d. Advanced medical schools, with courses of four or five years, but mostly of five: 38 institutions, including:¹

Canton, Kwangtung Province
 Canton Medical College (five years)³
 College of Chinese Medicine (five years)*

Ch'engt'u, Szechuan Province
 College of Chinese Medicine (five years)

Chungking, Szechuan Province
 Chungking Medical College (five years)*

Hankow, Hopei Province
 Wu-Han Medical College (five years)

Huhehot, Inner Mongolia
 Medical College of Inner Mongolia (five years)*

K'unming, Yunnan Province
 K'unming Medical College (five years)*

Mukden, Liaoning Province
 Mukden Medical College (five years)⁴
 Shenyang Medical College (four years, pharmacology)⁴

Nanking, Kiangsu Province
 Kiangsu Medical College (five years)
 Nanking Medical College (four years, pharmacology)⁵

Nanning (N 22-48, E 108-18), Kwangsi Province
 Kwangsi Medical College (five years)*

Peiping, Hopei Province
 College of Chinese Medicine (five years)*

Shanghai, Kiangsu Province
 College of Chinese Medicine (five years)*

Sian, Shensi Province
 Sian Medical College (five years)⁶

Tsingtao, Shantung Province
 Tsingtao Medical College (five years)

Urumchi, Sinkiang
 Sinkiang Medical College (five years)*

Yenchi, Kirin Province
 Yen Pien Medical College (five years)*

- e. Universities, with four or five year courses: 16, including:¹

Chengchou, Honan Province
 Chengchou University (four years)*

Chungking, Szechuan Province
 Szechuan University (five years)

Huhehot, Inner Mongolia
 University of Inner Mongolia (four years)*

- f. Advanced finance and economics colleges: five, of which one in Peiping offered a five-year course and the rest four-year courses.
- g. Advanced political science and law colleges: four, offering four-year courses.

- h. Advanced language schools: eight, offering courses ranging in length from three to five years, and including:¹

Shanghai, Kiangsu Province
Shanghai Foreign Language School (four years)⁸

- i. Colleges for minority races: five, offering courses ranging in length from two to four years, and including:

Kweichow Province
Kweichow People's College (two years)

Urumchi, Sinkiang
Sinkiang College (three years)*

Wu-Han area
Central-South People's College (two years)

- j. Advanced art schools: 16, offering courses ranging in length from three to five years, but mostly of five years, and including:

Peiping, Hopei Province
Central Academy of Art and Technology (five years)
Motion Picture School (four years)

Shanghai, Kiangsu Province
Shanghai Dramatic School (five years)⁹
Shanghai Music School (five years)⁹

Tientsin, Hopei Province
Central Music School (five years)

- k. Advanced physical training schools, offering four-year courses: six, including:¹

Sian, Shensi Province
Sian Physical Training School

- l. Colleges affiliated with the Chinese Communist armed forces:

Dairen, Liaoning Province
First Navy School (four years)
Second Navy School (four years)

Kalgan (Changchiak'ou, N 40-50, E 114-55)
Signal School (five years)

Sian, Shensi Province
Fourth Military Medical College (six years)

地址: 哈爾濱

本科(五年制):

機電系: 1. 發電廠電力網及電力系統 2. 工業企業電氣化 3. 電機與電器 4. 自動學和運動學
動力機械系: 1. 鍋爐製造 2. 渦輪機製造 3. 水力機械
機器製造系: 1. 機械製造工藝 2. 金屬切削機床及工具
機械工藝系: 1. 金屬學及熱處理車間設備 2. 焊接工藝及設備 3. 鑄造工藝及機器 4. 金屬壓力加工及機器 5. 軋鋼工藝及設備
儀器製造系: 1. 精密機械儀器 2. 儀器製造工藝 3. 電氣自動裝置及計量設備 4. 數學及計算

仪器 5. 陀螺仪器
土木系: 1. 工业与民用建筑 2. 供热供煤气及通风 3. 给水排水
工程经济系: 1. 机器制造工业经济与组织 2. 动力企业经济与组织
无线电工程系: 无线电技术

(十四) 东北工学院 地址: 沈阳

本科(五年制):
采矿系: 1. 矿区开采 2. 矿山企业建筑
钢铁冶金系: 1. 钢铁冶金 2. 冶金炉
钢铁工艺系: 1. 钢铁压力加工 2. 铸造 3. 金属学及钢铁热处理
有色金属系: 1. 选矿 2. 有色金属冶金 3. 有色金属及其合金压力加工
机械系: 1. 机械制造工艺金属切削机床及工具 2. 矿山机械 3. 冶金厂机械
矿山机电系: 矿山机电
电力系: 工业企业电气化
工程经济(现属钢铁冶金系): 冶金工业经济与组织

(十五) 大连工学院 地址: 大连

本科(五年制):
机械工程系: 1. 机械制造工艺金属

切削机床及工具 2. 铸造工艺及机器 3. 起重运输机械及设备 4. 工业企业电气化
化学工程系: 1. 无机物化学 2. 有机染料及中间体化学 3. 燃料化学工程 4. 合成橡胶工程
化工机械系: 化学生产机器及设备
水利工程系: 1. 河川结构及水电站的水工建筑 2. 水道及港口的水工建筑

(十六) 大连海运学院

地址: 大连

本科(五年制):
驾驶系: 船舶驾驶
轮机系: 1. 船舶动力装置 2. 船舶修理
航海系: 海运管理

(十七) 长春地质勘探学院

地址: 长春

本科(四年制):
矿产地质勘探系: 1. 地质测量和找矿 2. 矿产地质及勘探
地球物理勘探系: 1. 金属与非金属地球物理勘探 2. 石油及天然气地球物理勘探
水文及工程地质系: 水文地质和工程地质

(十八) 长春汽车拖拉机学院

地址: 长春

本科(五年制):
汽车拖拉机系: 汽车拖拉机
机械制造系: 1. 机械制造工艺金属切削机床及工具 2. 铸造工艺及机器 3. 农业机械
工程经济(现属机械系): 机器制造工业经济与组织

(十九) 同济大学 地址: 上海

本科(六年制):
建筑系: 1. 建筑学 2. 城市规划
本科(五年制):
结构系: 工业与民用建筑
建筑工艺系: 装配式建筑混凝土与钢筋混凝土制品及构件生产
道路与桥梁系: 1. 公路与城市道路 2. 道路桥梁与隧道
卫生工程系: 1. 给排水 2. 供热供煤气及通风
城市建设系: 城市建设与经营
铁道系: 铁道建筑
经济系: 建筑企业经济与组织

(二十) 浙江大学 地址: 杭州

本科(五年制):
电机工程系: 1. 电机与电器 2. 发电厂电力网及电力系统 3. 工

业企业电气化 4. 无线电技术 5. 热能动力装置
机械工程系: 1. 机械制造工艺金属切削机床及工具 2. 铸造工艺及机器 3. 光学机械仪器
化学工程系: 1. 燃料化学工程 2. 化学生产机器及设备 3. 化学生产工艺过程自动化及调节
土木工程系: 工业与民用建筑
水利系: 河川结构及水电站的水工建筑
数学(系未定): 数学
物理(系未定): 物理

(二一) 南京工学院 地址: 南京

本科(五年制):
动力工程系: 1. 发电厂电力网及电力系统 2. 热能动力装置 3. 工业企业电气化 4. 工业热工学
机械制造工程系: 1. 机械制造工艺金属切削机床及工具 2. 铸造工艺及机器 3. 农业机械 4. 建筑筑路机器及设备 5. 机械设计
无线电工程系: 1. 无线电技术 2. 电子器件 3. 工业电子学
化学工程系: 1. 砂酸工业 2. 化学生产机器及设备
食品工业系: 1. 发酵工程 2. 粮食

加工及倉儲工業 3. 油脂工業
4. 食品機械
建築系: 建築學
土木工程系: 1. 工業與民用建築
2. 公路與城市道路 3. 裝配式
建築混凝土與鋼筋混凝土制品
及構件生產

(二二) 華東化工學院

地址: 上海

本科(五年制)
化工機械系: 化學生產機器及設備
無機工業系: 1. 矽酸鹽工業 2. 無
機物工業
有機工業系: 1. 基本有機合成學
2. 燃料化學工業 3. 有機染料
及中間體工業 4. 化學制藥工
學 5. 抗生素製造工業 6. 化
學工程學

(二三) 華東紡織工業學院

地址: 上海

本科(四年制):
紡織工程系: 纖維材料機械工程學
紡織機械系: 1. 輕工業機器及設備
2. 工業熱工學
染化工程系: 1. 纖維材料化學工程
2. 人造纖維工程學

(二四) 上海造船學院

地址: 上海

本科(五年半制):

船舶製造系: 船舶製造
船舶動力(現屬船舶製造系): 1. 船
舶蒸汽發動機及裝置 2. 船舶
內燃發動機及裝置
船舶電機系: 船舶電氣設備

本科(五年制):

機械製造系: 1. 機械製造工藝金屬
切削機床及工具 2. 焊接工藝
及設備
工程經濟系: 造船工業經濟與組織

(二五) 華東水利學院

地址: 南京

本科(五年制):

水文系: 陸地水文
河港工程系: 水道及港口的水工建
築
河川系: 河川結構及水電站的水工
建築

(二六) 南京航空學院

地址: 南京

本科(五年制):

飛機系
發動機系
飛機設備系

(二七) 南洋工業學院

地址: 上海

本科(五年制):

機械製造系: 1. 機械製造工藝金屬
切削機床及工具 2. 金屬學及
熱處理車間設備
電機系: 1. 電機與電器 2. 電氣絕
緣與電纜技術

(二八) 山東工業學院

地址: 濟南

本科(四年制):

機械製造系: 1. 機械製造工藝 2.
金屬切削機床及工具 3. 金屬
學及熱處理車間設備 4. 金屬
壓力加工及機器 5. 鑄造工
藝及機器
電機工程系: 1. 發電廠電力網及電
力系統 2. 電機與電器

(二九) 合肥礦業學院

地址: 合肥

本科(四年制):

采礦系: 礦區開采
礦山電氣系: 1. 礦山機電 2. 礦山
機械
礦產地質與礦井建設系: 1. 礦山企
業建築 2. 礦產地質及勘探

(三十) 華中工業學院

地址: 武昌

本科(五年制):

動力系: 1. 熱能動力裝置 2. 水力
動力裝置 3. 工業熱工學
電力系: 1. 發電廠電力網及電力系

統 2. 工業企業電氣化 3. 電
機與電器 4. 自動學和運動學
5. 無錢電技術

機械製造系: 1. 機械製造工藝金屬
切削機床及工具 2. 鑄造工
藝及機器 3. 金屬壓力加工及機
器 4. 金屬學及熱處理車間設
備 5. 冶金廠機械設備

(三一) 武漢水利學院

地址: 武昌

本科(五年制)

水工建築系: 河川結構及水電站的
水工建築
水利改良系: 水利土壤改良

(三二) 武漢水運工程學院

地址: 武昌

本科(五年制):

船舶機械系: 船舶機器與機械
水運管理系: 河運管理
港口機械系: 港口起重運輸機械及
設備
水運經濟系: 水運經濟與組織

(三三) 武漢測量制圖學院

地址: 武昌

本科(五年制):

工程測量系: 工程測量
航空測量與制圖學系: 1. 航空攝影

測量 2. 制圖學

天文大地測量系: 天文大地測量

(三四)中南礦冶學院

地址: 長沙

本科(五年制):

地質探礦系: 1. 礦產地質及勘探
2. 探礦工程 3. 地質測量和找礦

采礦系: 1. 礦區開采 2. 礦山機電
3. 礦山測量

選礦系: 選礦

冶金系: 1. 有色金屬冶金 2. 金屬學與有色金屬及其合金熱處理
3. 有色金屬及其合金壓力加工

(三五)中南土木建築學院

地址: 長沙

我這幾年來博地唯獨功課 先向你們
 這些材料寫信, 後來我今告訴更多
 的事情。

這幾年來我按公費組組往來馬尼拉
 對我的同學實在太幸福快樂。
 我告訴了一件很老的事情。一位來自印
 尼西亞的華僑女同學, 她姓黃奔忙, 華僑
 聚羣七次(在)這中, 我們認識了。建立了
 友誼的感情。她喜歡我, 我也很喜歡她。我們
 以接觸, 彼此為準備升了兩互相研究。
 我的性格是然不。而國內的愛情不是
 建立金錢上的。以金錢的輕重去衡量
 愛情。是以直率的友誼行為, 學習去
 衡量。(請順便告訴蔣兄)

國內的整個運動是完完全全正確的。
 相對於這些人, 在馬尼拉也宣傳起來。

ADVANCED ENGINEERING SCHOOLS.

1. CH'ING HUA (3237/5478) UNIVERSITY. Location: Peking.
 Departments: (6 years courses)
 Department of Architecture: Architecture.
 Departments: (5 years courses)
 Department of Power and Mechanics: (1) Installation of heating, energy,
 and power. (2) Automobile and tractors. (3) Manufacturing of gas
 engines. (4) Industrial heating.
 Department of Electrical Engineering: (1) Industrial electricity.
 (2) Power plants, power nets and power systems. (3) Electric
 machinery and electric appliances. (4) Dynamics. (5) Applications.
 (6) High voltage technics.
 Department of Machinery manufacture: (1) Manufacturing of machineries,
 Industrial metals, cutting lathe and equipments. (2) Casting and
 machines. (3) Metal pressure and machines. (4) Metallurgy and heating,
 And arrangement of equipments in workshops. (5) Welding and equipments.
 Department of Radio Engineering: (1) Radio technics. (2) Electronic
 equipments. (3) Mathematics and calculation instruments.
 Department of Engineering Physics: Engineering physics.
 Department of Civil Engineering: (1) Industrial and civilian constructions.
 (2) Water supply and water disposal. (3) Heat supply; gas supply and
 ventilation.
 Department of Hydraulic Engineering: 1. (Composition of rivers; (2)
 Construction of hydro-electric station and water constructions.
 (3) Installation of hydraulic power.

2. T' IEN CHIN (1131/3160) (TIENTSIN) University: Location: Tientsin.

Departments: (5 academic years courses)

Department of Electrodynamics: (1) Power Plant; Power nets and Power systems. (2) Industrial electricity. (3) Installation of electric heating. (4) Radio technics.

Department of Mechanics: (1) Manufacturing of machineries, Industrial metal, Cutting lathe and equipments. (2) Internal Combustion machines. (3) Machines for Chemical production, and installations. (4) Process of chemical production; Automation of the above; and adjustments. (5) Precision machineries and instruments. (6) Welding and equipments.

Department of Chemical Engineering: (1) Fuel chemistry. (2) Inorganic chemistry. (3) Silicate manufacturing. (4) Organic dyestuffs and manufacturing of mediums. (5) Basic organic compound. (6) Electric-Chemistry; and its productions. (7) Chemical Engineering. (8) Manufacturing of paper by plant fibres.

Department of Hydra-irrigation: (1) Construction of rivers; water constructions in a Hydro-electric station. (2) Waterways and harbour constructions.

Department of Architecture: Architecture.

Department of Civil Engineering: (1) Industrial and civilian constructions. (2) Installation construction; cement; concrete cement and manufacturing and production. (3) Water supply and water disposal. (4) Heat supply; gas supply and ventilation.

Department of Textile Spinning: Fibre materials; and machineries.

3. GEOLOGICAL SURVEY AND EXPLORATION COLLEGE, of Peking.

Location: Peking.

Departments: (5 academic years course).

Department of Mining geology and survey, and exploration: (1) Mining Geology, Survey and Exploration. (2) Geological survey and search of mines.

Department of Petroleum and natural gas geology, survey and exploration. Petroleum and natural gas geology, survey and exploration.

Department of world physics, survey and exploration: (1) Metal and non-metal survey and exploration. (2) Petroleum and natural gas geological survey and exploration.

Department of ~~Extremum~~ ^{Water-course} geology, and engineering geology: Water geology and engineering geology.

Department of mining engineering: Mining engineering.

4. THE PETROLEUM COLLEGE, of Peking.

Location: Peking.

Departments: (5 academic years course).

Department of Petroleum geology: Petroleum and natural gas geological survey and exploration.

Department of world physics (currently belonging to the Department of Petroleum geology): Petroleum, natural gas and world physics survey.

Department of petroleum drilling: (1) Petroleum, natural gas well drilling. (2) Mining of petroleum and natural gas.

Department of Refining: (1) Petroleum and natural gas studies. (2) Synthetic petroleum manufacturing.

Department of petroleum machineries: (1) Petroleum mining area's machineries and installations. (2) Refinery machineries and installations.

(3) Petroleum and natural gas transportation and storage.

Department of Petroleum Industry and Economy: The economy and organization of Petroleum industry.

5. STEEL INDUSTRY COLLEGE, of Peking. Location: Peking.

Department: (5 academic years course).

Department of Physi-Chemistry: (1) Metal physics. (2) Metal physicochemistry.

Department: (5 academic years course).

Department of mining: Mining.

Department of Metallurgy: Steel metallurgy.

Department of Metallurgy: Minting.

Department of Industrial Arts: (1) Metallurgy and the treatment of steel.
(2) Steel pressure.

Department of machineries: Machineries and installation thereof, in the steel factories.

6. AERONAUTICS COLLEGE, of Peking. Location: Peking.

Departments: (5 academic years course).

Department of aeronautics.

Department of Engine.

Department of aeronautic installation.

Department of aeronautic-industry's economics.

7. PEKING INDUSTRIAL COLLEGE. Location: Peking.
 Departments: (5 academic years course).
 Department of Mechanics.
 Department of Chemical Engineering.
 Department of Instruments.
 Department of Radio engineering.
8. PEKING MINING COLLEGE. Location: Peking.
 Departments: (5 academic years course).
 Department of mining: (1) Mining. (2) Survey of mines.
 Department of manufacturing of mining machineries: Mining machineries.
 Department of mining electricity: (1) Mining electricity. (2)
 Selection of mines.
 Department of mining construction: Mining enterprise constructions.
 Department of coal mine geology: Mining geology, survey and exploration.
 Department of Engineering Economics: Mining industry economics and
 organizations.
9. PEKING RAILROAD COLLEGE. Location: Peking.
 Departments: (5 years academic course).
 Department of railroad business: Railroad management.
 Department of tele-communication: Railroad transportation; Automatic
 Control; Remote Control and tele-communication.
 Department of materials: Railroad transportation; supply of
 materials; supply of technics; its economics and organizations.
 Department of construction: Railroad constructions.
 Department of Economics: Economics and organizations of railroad
 transportation.

10. PEKING POST AND TELEGRAPH COLLEGE. Location: Peking.
 Departments : (5 year academic course)
 Department of Wire Communication Engineering: Telephone; Telegraph
 Communication.
 Department of Wire-less Communication Engineering: Radio Communication
 and broadcasting.
 Department of Engineering Economics: Economics and Organizations of
 Post and Telegraph communication.
11. T'AIYUAN (1132/0626) ENGINEERING COLLEGE: Location: T'ai Yuan, Shansi.
 Departments: (5 academic years course)
 Department of Electric Engineering: (1) Power plant, power nets and
 power systems.
 Department of Mechanics: (1) Manufacturing of machineries; Industrial
 metal cutting lathe and equipments. (2) Casting and machineries.
 Department of Chemical Engineering: Inorganic studies.
 Department of Civil Engineering: Industrial and civilian constructions.
12. T'ANGSHAN (0781/1472) RAILROAD COLLEGE. Location: T'ang Shan (Hopei prov.)
 Departments: (5 academic years course).
 Department of Mechanics: Railroad transportation and mechanics.
 Department of railroad construction: Railroad construction.
 Department of Bridge and Tunnel: Railroad Bridge and tunnels.
 Department of electrical transportation: Railroad eletrization.
 Department of railroad transportation: Railroad management.

13. HARBIN INDUSTRIAL UNIVERSITY:

Location: Harbin.

Departments: (5 academic years course)

Department of Electrical Mechanics: (1) Power plants, power nets and Power systems. (2) Electrization of Industry and Enterprise. (3) Electric machinery and electric appliances. (4) Automation and Remote controls.

Department of Dynamic Machinery: (1) Manufacture of boilers. (3) Hydraulic machines.

Department of Machinery manufacturing: (1) Manufacture of machines. (2) Metal cutting lathe and equipments.

Department of Machinery industrial arts: (1) Metallurgy and the treatment of heat; Workshop installations. (2) Welding and equipments. (3) Casting and machineries. (4) Metal pressure and machineries. (5) Steel press and equipments.

Department of instruments manufacturing: (1) Precision instruments and machineries. (2) Manufacturing of instruments. (3) Electrical automatic installation and calculating equipments. (4) Mathematic and Calculating instruments. (5) Instruments.

Civil Engineering Department: (1) Industrial and civilian constructions. (2) Supply of heat, coal and ventilation. (3) Supply of water and disposal.

Department of Engineering Economics: (1) Manufacturing of machineries; Industrial economics and organizations. (2) Dynamics enterprise economics and organizations.

Department of Radio Engineering: Radio technics.

14. TUNG PEI (2639/0554) (NORTHEASTERN) ~~ENGINEERING~~ COLLEGE.

Location: Shen Yang (Mukden).

Departments; (5 academic years course).

Department of Mining: (1) Mining. (2) Constructions in mining area and enterprises.

Department of steel metallurgy: (1) Steel metallurgy. (2) Metallurgical hearth.

Department of steel: (1) Steel pressure. (2) Casting. (3) Metallurgy and treatment of steel heat.

Department of colored-metal: (1) Selection of mining. (2) Metallurgy of colored-metal. (3) Colored metal and other metal pressure works.

Department of Machineries: (1) Manufacturing of machineries; Industrial metal cutting lathe and equipments. (2) Mining machineries. (3) Metallurgical factory machineries and installations.

Department of mining eletrical machines: Mining eletrical machines.

Department of Electricity: Electrization of Industry and enterprises.

Department of Engineering Economics (currently belonging to the department of steel metallurgy): Metallurgical industrial economics and organizations.

15. TA LIEN (1129/6647) (DATREN) ~~ENGINEERING~~ COLLEGE: Location: Dairen.

Departments: (5 years academic course)

Department of Mechanical Engeering: (1) Manufacturing of machineries; Industrial metal cutting lathe and equipments. (2) Casting and machineries. (3) Lifting, and Transportation machineries and installations. (4) Electrization of Industry and enterprises.

Department of Chemical Engineering: (1) Study of inorganics. (2) Organic Dyestuffs and mediums. (3) Fuel Chemistry. (4) Compound

Rubber. Ø

Department of Chemical Engineering machineries: Machines for chemical productions, and installations.

Department of Hydraulic-engineering: (1) River constructions; water constructions for hydro-electric stations. (2) Constructions for waterways and ports.

16. TA LIEN (DAIREN) OCEAN TRANSPORTATION COLLEGE. Location: Dairen.

Departments: (5 academic years course).

Department of Vessel steering: Vessel Steering.

Department of Vessel engines: (1) Installation of vessel power.

(2) Vessel repairs.

Department of shipping industry management: Sea transportation management.

17. CH'ANG CH'UN (7022/2504) GEOLOGICAL SURVEY AND EXPLORATION COLLEGE.

Location: Ch'ang Ch'un (Liaoning province).

Departments: (4 academic years course).

Department of mining geology and survey, and exploration: (1) Geological survey and search of mines. (2) Mining geology, Survey and exploration.

Department of world physics, survey and exploration: (1) Metal and non-metal survey and exploration. (2) Petroleum and natural gas geological survey and exploration.

Department of Water-course geology and engineering geology: Water geology and engineering geology.

18. CH'ANG CH'UN AUTOMOBILE AND TRACTOR COLLEGE. Location: Ch'ang Ch'un (Liaoning).

Departments: (5 academic years course)

Department of Automobile and tractors. Automobile and Tractors.

Department of machinery manufacturing: (1) Manufacturing of machineries,
Industrial metal, Cutting Lathe and equipments. (2) Casting and
machines. (3) Farming machines and equipments.

Department of Engineering Economics: (Currently belonging to the
Department of machineries.) Manufacturing of machineries;
Industrial economy and organizations.

19. TUNG CHI (0681/3444) UNIVERSITY: Location: Shanghai.

Departments: (6 academic years course).

Department of Architecture: (1) Architecture. (2) City planning.

Departments: (5 academic years courses).

Department of Construction: Industrial and civilian constructions.

Department of Construction Industry: Installation construction; cement;
concrete cement manufacturing and production.

Department of highways and bridges: (1) Highways and city roads.

(2) Highways, Bridges and Tunnels.

Department of Sanitary Engineering: (1) Supply and disposal of water.

(2) Supply of heating, coal and ventilation.

Department of urban constructions: City construction and management.

Department of railroad: Railroad constructions.

Department of Economics: Construction enterprise Economy and organization.

20. CHEKIANG (Che Chiang 3181/3068) UNIVERSITY. Location: Hangchow.
 Departments: (5 academic years course).
 Department of Electric Engineering: (1) Electric Machines and Electric Appliances. (2) Power plant, power nets and power systems. (3) Industrial and Enterprise electricity. (4) Radio technics. (5) Installation of heat, energy and power.
 Department of Mechanical Engineering: (1) Manufacturing of machineries; Industrial metals; Cutting lathe and Instruments. (2) Casting and machineries. (3) Optical machineries and instruments.
 Department of Chemical Engineering: (1) Fuel Chemistry. (2) Machines for chemical production and installations. (3) Process of/Chemical automatic production and adjustments.
 Department of Civil Engineering: Industrial and Civilians Constructions.
 Department of hydro-engineering: River constructions; water construction for hydro-electric stations.
 Department of Mathematics (Not yet established): Mathematics.
 Department of Physics (not yet established): Physics.
21. NANKING ~~ENGINEERING~~ COLLEGE. Location: Nanking.
 Departments: (5 academic years courses)
 Department of Dynamical Engineering: (1) Power plants; power nets; and power systems. (2) Installation of heat, energy and power. (3) Industrial and Enterprise electricity. (4) Industrial power.
 Department of Machinery Manufacturing Engineering: (1) Manufacturing of machineires, industrial metals; Cutting lathe; and equipments. (2) Casting and machineries. (3) Farming machineries. (4) Construction, and road-building machines, and installations. (5) Machinery designing.

Department of Radio Engineering: (1) Radio Technics. (2) Electronic instruments. (3) Industrial electronics.

Department of Chemical Engineering: (1) Silicate manufacturing.
(2) Chemical manufacturing machines and installations.

Department of Food Industry: (1) Industrial fermentation. (2) Grain finishing and Storage industry. (3) Animal or vegetable fats.
(4) Food machinery.

Department of Architecture: Architecture.

Department of Civil Engineering: (1) Civilian and Industrial constructions.
(2) Highways and City roads. (3) Assemble construction; cement and cement-concrete productions and manufacture thereof.

22. HUA TUNG (5478/2639) (EASTERN CHINA) ^{CHEMICAL} ENGINEERING COLLEGE. Location: Shanghai.
Departments (5 years courses):

Department of Chemical Engineering and Mechanics: Chemical Production machineries and installations.

Department of Inorganic Industry: (1) Silicate manufacturing. (2) Inorganics.

Department of Organic industry: (1) Basic organic compound. (2) Fuel Chemistry. (3) Organic dye-stuffs and mediums. (4) Chemical pharmaceuticals. (5) Manufacturing of anti-biotics. (6) Chemical Engineering.

23. HUA TUNG (EASTERN CHINA) TEXTILE COLLEGE. Location: Shanghai.

Departments (4 years courses):

Department of Textile Engineering: Fibre materials, and machineries.

Department of Textile Machineries: (1) Light Industry machineries and installation. (2) Industrial Heating.

Department of Dyestuffs, Chemical Engineering: (1) Fibre material
Chemistry. (2) Synthetic Fibres.

24. SHANGHAI SHIPBUILDING COLLEGE. Location: Shanghai.

Departments: (5½ years courses)

Department of Shipbuilding: Shipbuilding.

Department of Ship powers: (Now belonging to the department of Shipbuilding)

(1) Ship Steam Engines and installation. (2) Ship internal-combustion
Engines and installation.

Department of Electrical Engines: Ship electrical Engines, and installation.

Departments: (5 years courses)

Department of Machinery manufacturing: (1) Manufacturing of machinery;

Industrial metals; Cutting lathe and equipments. (2) Welding and
installations.

Department of Engineering Economics: Shipbuilding Industrial Economy
and organizations.

25. HUA TUNG (EASTERN CHINA) WATER CONSERVENCY COLLEGE. Location: Nanking.

Departments: (5 years courses)

Department of water-course: Land and water course.

Department of Harbor Engineering: Water course, and Harbor consturctions.

Department of River: River composition; and hydro-electric station
constructions.

26. NANKING AERONAUTICS COLLEGE.

Location: Nanking.

Departments: (5 years courses)

Department of aeronautics.

Department of Engines.

Department of aeronautics installation.

27. WAN YANG (0589/3152) ENGINEERING COLLEGE.

Location: Shanghai.

Departments: (5 years courses)

Department of machinery manufacturing: (1) Manufacturing of

machineries: Industrial Metals; Cutting Lathe and equipments.

(2) Metallurgy and heating; and arrangement of equipments in workshops.

Department of Electrical Engineering: Electric machinery and electric appliances. (2) Electric insulation and electric cables.

28. SHANTUNG (1472/2639) ENGINEERING COLLEGE.

Location: Tsinan (Shantung)

Departments: (4 years courses)

Department of Machinery Manufacturing: (1) Machinery Manufacturing.

(2) Metal Cutting Lathe and equipments. (3) Metallurgy, heating,

and arrangement of equipments in workshops. (4) Metal Pressing

and machineries. (5) Casting and machineires.

Department of Electrical Engineering: (1) Power plant; Power nets

and power system. (2) Electrical machines and electrical appliances.

29. Ho Fei (0678/5142) MINING COLLEGE.

Location: Ho Fei, Honan prov.

Departments: (4 years courses)

Department of Mining: Mining.

Department of Electric and Machineries in Mining area: (1) Machineries and electricity. (2) Mining machineries.

Department of Mining Geology and Mining constructions: (1) Mining area constructions. (2) Mining geology and geological survey and search of mines.

30. HUA CHUNG (5478/0022) (CENTRAL CHINA) ENGINEERING COLLEGE.

Location: Wu Ch'ang (Hupei).

Departments: (5 years courses)

Department of Dynamics: (1) Installation of heating energy and dynamics. (2) Installation of hydraulic powers. (3) Industrial heating and power.

Department of Electric power: (1) Power plant; Power nets and power system. (2) Electri-zation of Industry and enterprises. (3) Electric machinery and electrical appliances. (4) Automation and remote controls. (5) Radio technics.

Department of Machineries manufacturing: (1) Machineries manufacturing; Metal Cutting lathe and equipments. (2) Casting and machineries. (3) Metal Pressing and machineries. (4) Metallurgy and heating, arrangement of equipments in workshops. (5) Machineries for Refinery.

31. WU HAN (2976/3352) WATER CONSERVENCY COLLEGE.

Location: Wu Ch'ang.

Departments: (5 years courses)

Department of Water constructions: River composition; constructions for hydro-electric stations.

Department of improvements: Water conservency and soil improvements.

32. WU HAN WATER TRANSPORTATION AND ENGINEERING COLLEGE.

Location: Wu Ch'ang (Hupei).

Departments: (5 years courses)

Department of Vessel Engines: Vessel machineries and engines.

Department of Water Transportation Management: River Transportation management.

Department of harbor machineries: Cranes; Transportation equipments and other equipments of harbor.

Department of Water-transportation economy: Water-transportation economics and organizations.

33. WU HAN SURVEY AND DRAFT COLLEGE.

Location: (Wu Ch'ang)(Hupei).

Departments: (5 years courses)

Department of Engineering Survey: Engineering Survey.

Department of Aeronautical Survey and Drafting: Aeronautical Photography Survey. Drafting.

Department of Astronomical and earth survey: Astronomical and earth survey.

34. CHUNG NAN (0022/0589) MINING AND SMELTING COLLEGE.

Location: Ch'ang Sha (Hunan province).

Departments: (5 years courses)

Department of geology and search of mines: (1) Mining geology and search. (2) Test engineering. (3) Geology survey and search of mines.

Department of ~~Xing~~ Mining: (1) Mining. (2) Mining electricity. (3) Survey of mining area.

Department of Selection of mines: Selection of mines.

Department of Metal refining: (1) Metal refining. (2) Treatment of metal heat. (3) Metal Compressing.

35. CHUNG NAN (0022/0589) CIVIL ENGINEERING AND ARCHITECTURE COLLEGE.

Location: Ch'angsha (Hunan prov.).

Departments: (5 years courses)

Department of architecture and civil engineering: (1) Industrial and civilian architecture. (2) Water supply and disposal.

Department of railroad constructions: Railroad constructions.

Department of railroad administration: (Currently under Department of railroad constructions) Railroad administration.

Department of Bridges and Tunnels: Railroad bridges and tunnels.

Department of highway constructions: Highways and city roads.

36. HUA NAN (5478/0589) (SOUTH CHINA) ENGINEERING COLLEGE.

Location: Canton.

Departments: (5 years courses)

Department of architecture: Architecture.

Departments: (4 years courses)

Department of paper manufacturing: (1) Paper manufacturing machinery.

(2) Manufacturing of paper by botanical fibres.

Department of Mechanical Engineering: (1) Manufacturing of machineries.

(2) Metal cutting lathe and equipments.

Department of Chemical engineering: (1) Rubber. (2) Silicate manu-

facturing. (3) Sugar and its produces. (4) Manufacturing of food-

stuffs. (5) Synthetic Rubber. (6) Chemical manufacturing machineries and equipments.

Department of civil engineering: Industrial and civilian constructions.

Department of Radio Technics: Radio Technics.

37. CH'UNG CH'ING (6850/1987) (CHUNGKING) UNIVERSITY: Location: Chungking.
- Departments: (5 years courses)
- Department of Mining: Mining.
- Department of metallurgy: Steel smelting.
- Department of machinery manufacturing: (1) Manufacturing of machineries; Metal cutting lathe and equipments. (2) Machineries and equipments for smelting factory. (3) Metal compressing and machineries.
- Department of dynamics: Heating, Energy and dynamics.
- Department of electric engineering: 1. Power plant, power nets and power system. (2) Electrical machineries and electrical appliances.
38. CH'UNG CH'ING CONSTRUCTION AND ENGINEERING COLLEGE: Location Chungking.
- Departments: (5 years courses)
- Department of Architectures. (1) Architecture.
- Departments: (4 years courses)
- Department of civil engineering constructions: Industrial and civilian constructions.
- Department of hygienical Engineering: (1) Supply of water and disposal of water. (2) Supply of heating, of gas and of ventilation.
39. CH'ENG TU (2052/6757) ENGINEERING COLLEGE: Location: Chengtu (Szechwan Pr.)
- Departments: (4 years courses)
- Department of mechanics: Manufacturing of machineries.
- Department of electrical engineering: Power plant; power nets and power system.
- Department of chemical engineering: (1) Inorganics. (2) Chemical manufacturing machineries and equipments. (3) Plastics. (4) Basic organic composition. (5) Sugar and produces.
- Departments of water conservancy: (1) river composition; hydro-electric

station constructions. (2) Water courses.

Department of civil engineering: (1) Highways and city roads.

(2) Highway bridges and tunnels.

40. CH'ENG TU TELE-COMMUNICATION ENGINEERING COLLEGE: Location: Ch'engtu.

Departments: (5 years courses)

Department of Radio equipments designing and manufacturing.

Department of Wire-telegram designing and manufacturing.

Department of manufacturing of radio parts.

Department of electronic instruments and equipments designing and manufacturing.

41. K'UN MING (2492/2494) ENGINEERING COLLEGE: Location: Kunming (Yunnan prov.)

Departments(4 years courses):

Department of Mining: (1) Geology survey and search of mines. (2) Mining.

Department of mechanics: (1) Manufacturing of machineries. (2) Metal cutting and lathe; and equipments.

Department of metallurgy: (1) Selection of mines. (2) Metal refining.

42. CH'ENG TU GEOLOGICAL SURVEY AND EXPLORATION COLLEGE:

Location: Ch'engtu (Szechwan prov.)

Departments: (4 years courses)

Department of geological survey and exploration: (1) Geological survey and search of mines. (2) Mining geology and mining survey and explorations.

Department of water course geology and engineering geology: Water course geology and engineering geology.

Department of Petroleum, natural gas geological survey and exploration:

Petroleum, natural gas geological survey and exploration.

43. CHIAO T'UNG (0074/6639) UNIVERSITY.

Location: Sian (Shensi prov.)

Departments: (5 years courses)

Department of machineries manufacturing: (1) Machineries manufacturing; Metal cutting lathe and equipments. (2) Metal compressing and machineries. (3) Metallurgy; treatment of heat; workshop equipments. (4) Casting and machineries. (5) Welding and equipments.

Department of power-machineries manufacturing: (1) Internal combustion machines. (2) Manufacturing of wheel machines. (3) Manufacturing of boilers. (4) Heat, energy and power installation. (5) Refrigeration, and compressing machines, and its installations.

Department of transportation, lifting machines manufacturing: (1) Lifting machines and installations, and equipments. (2) Manufacturing of steam locomotives. (3) Manufacturing of internal combustable locomotives. (4) Manufacturing of electric locomotives. (5) Manufacturing of vehicles.

Department of electric equipments and materials manufacturing: (1) Electric machines and electric appliances. (2) Electric insulation and cables and wires.

Department of Electrical Engineering: (1) Power plant, power nets and power system. (2) Utilization of electricity in industry and enterprises. (3) High voltage electricity.

Department of radio engineering: (1) Radio technics. (2) Automation and remote control. (3) Mathematics and computing machines.

Department of Dynamical mathematics: (Not inaugurated yet) (1) Dynamics. (2) Applied mathematics.

44. HSI AN (6007/1344) (SIAN) AERONAUTICS COLLEGE. Location: Sian, (Shensi prov.)

Departments: (5 years courses)

Department of aeronautics.

Department of engines.

Department of aeronautical heating.

45. HSI PEI (6007/0554) (NORTHWESTERN) ENGINEERING COLLEGE.

Location: Hsien Yang (0752/7122),
Shensi province.

Departments: (5 years courses)

Department of mechanics: (1) Manufacturing of machineries; Metal cutting
lathe; and equipments. (2) Metal compressing and machineries.

(3) Metallurgy and arrangment of heating; and workshop installations.

Department of Textile: Fibre materials and machineries.

Department of mining: Mining.

46. HSI AN (SIAN) DYNAMICS COLLEGE.

Location: Sian (Shensi prov.)

Departments: (5 years courses)

Department of Electrical power: Power plant; power nets and power system.

Department of Heating: Installation of heat, power and dynamics.

Department of hydraulics: (1) River composition and hydro-electrical
station constructions. (2) Installation of hydro-power.

Department of mechnics: (1) Manufacturing of machineries; metal cutting
lathe and equipments. (2) Hydraulic machineries.

47. HSI AN (SIAN) ARCHITECTURE ENGINEERING COLLEGE. Location: Sian (Shensi prov.)

Departments: (6 years course)

Department of Architecture: Architecture.

Departments: (5 years courses)

Department of Architectrure Engineering: (1) Industrial and civilian constructions. (2) Supply of heat, gas and ventilation.

(3) Supply of water and disposal of water.

Department of Construction arts: Assembly constructions; cement and concrete cement products and productions.

ADVANCED TEACHERS' COLLEGES

1. PEKING TEACHERS' UNIVERSITY.

Location: Peking.

Departments (4 year courses):

- (1) Chinese Language and Literature department.
- (2) Department of Russian language.
- (3) Department of history.
